

“Comparative”

"Comparative"

A) Read the following information. Then, find the comparative adjective in each sentence. Write it on the line.

Comparative adjectives

A comparative adjective compares two objects and indicates how they are different. In the sentences below, the comparative adjectives are in the box.

E.g Anne is **faster** than Mike. Rob is **stronger** than Mary. Roger is **funnier** than Sam.

1 This phone is better than that one.

2 My stomachache is worse than yours.

3 This movie is longer than that one.

4 My mother is angrier than my father.

5 Your piece of chocolate is bigger than mine.

6 The river is broader than it is there.

7 My sister was chubbier than me as a baby.

8 My room is cleaner than Ana's.

9 I will be later getting home than usual.
